

## **Program**

**17-19 Nov 2025**

# **MXCuBE-ISPyB Joint Meeting, DLS, UK (17 - 19 November 2025)**

Diamond House, Room G59  
Harwell Science and Innovation Campus, Fermi Ave Didcot OX11 0DE UK

# Table of contents

## 1 Monday 17 Nov

Diamond beamline tour for early arrivals	1
Arrival and Registration (with refreshments)	1
Lunch	1
ISPyB: Status Reports	1
Coffee break	2
ISPyB: Scientific Presentations	2
Open Discussion: Introduction to committees discussion - Joint Session	2
Parallel Sessions ISPyB: Developers	2
Parallel Sessions ISPyB: Steering Committee	2
Reports of StC+Dev Parallel Discussions: ISPyB	2
Dinner	2

## 3 Tuesday 18 Nov

Scientific Session - Addressing the Fragmentation of Communication between Synchrotrons, Developers and Industrial MX Users: Part-1 (Interoperability in Synchrotron Logistics)	3
Coffee break	3
Scientific Session - Addressing the Fragmentation of Communication between Synchrotrons, Developers and Industrial MX Users: Part-2 (Interoperability in Synchrotron Logistics)	3
Open Discussion: Prospects for achieving interoperability between synchrotrons	4
Lunch	4
Scientific Session - Addressing the Fragmentation of Communication between Synchrotrons, Developers and Industrial MX Users: Part-3 (Data Quality Assurance Measures)	4
Open Discussion	4
Coffee break & Group Picture	4
Scientific Session - Addressing the Fragmentation of Communication between Synchrotrons, Developers and Industrial MX Users: Part-4 (Direct Metadata Capture at Synchrotrons for AI/ML-related depositions)	4
Open Discussion: The Art of the Possible - Pledges and Priorities.	5
Conference Dinner	5

## 6 Wednesday 19 Nov

MXCuBE: Status Reports - Part 1	6
Coffee Break	6
MXCuBE: Status Reports - Part 2	6
MXCuBE: Scientific Presentations	7
Open Discussion: MXCuBE Developments	7
Lunch	7

Parallel Sessions MXCuBE: Developers	7
Parallel Sessions MXCuBE: Steering Committee	7
Reports of StC+Dev Parallel Discussions: MXCuBE	7
Coffee break & Early Leave	8

## Monday 17 November

09:30

### Diamond beamline tour for early arrivals

Session | Location: Diamond House, Atrium

11:00

### Arrival and Registration (with refreshments)

Session | Location: Diamond House, Atrium

12:00

### Lunch

Session | Location: Diamond House, Atrium

13:30

### ISPyB: Status Reports

Session | Location: Diamond House, Room G59, Harwell Science and Innovation Campus, Fermi Ave Didcot OX11 0DE UK

13:30-13:40 **Welcome**

13:40-13:50 **ALBA (Barcelona, Spain)**

**Speaker**

Marc Armenter Hierro

13:50-14:00 **MAX IV (Lund, Sweden)**

**Speaker**

Alberto Nardella

14:00-14:10 **DESY (Hamburg, Germany)**

**Speaker**

Johanna Hakanpaeae

14:10-14:20 **Oulu University (Finland)**

**Speaker**

Ed Daniel

14:30-14:40 **SOLEIL (Paris, France)**

**Speaker**

Mohsen Dahesh

14:40-14:50 **ELETTRA (Trieste, Italy)**

**Speaker**

Alessandro Olivo

14:50-15:00 **DLS (Oxford, UK)**

**Speaker**

James Hall

15:00-15:10 **Global Phasing (Cambridge, UK)**

**Speaker**

Rasmus Fogh

15:20	15:10-15:20 <b>ESRF (Grenoble, France)</b>
	<b>Speaker</b> Alex de Maria
15:20	<b>Coffee break</b>
15:45	<b>ISPyB: Scientific Presentations</b>
	Session   Location: Diamond House, Room G59, Harwell Science and Innovation Campus, Fermi Ave Didcot OX11 0DE UK
	15:45-16:15 <b>Crystal Size Matters: Triaging Approaches for Micro- and Nano-crystals at Diamond</b>
	<b>Speaker</b> Anna Warren
	16:15-16:45 <b>Electron diffraction: why it is difficult and why it is (hopefully) worth it</b>
	<b>Speaker</b> David Owen
16:45	<b>Open Discussion: Introduction to committees discussion - Joint Session</b>
17:00	Session   Location: Diamond House, Room G59, Harwell Science and Innovation Campus, Fermi Ave Didcot OX11 0DE UK
17:00	<b>Parallel Sessions ISPyB: Developers</b>
17:30	Session   Location: Diamond House, Room G59, Harwell Science and Innovation Campus, Fermi Ave Didcot OX11 0DE UK
17:00	<b>Parallel Sessions ISPyB: Steering Committee</b>
17:30	Session   Location: Diamond House, 2.53
17:30	<b>Reports of StC+Dev Parallel Discussions: ISPyB</b>
18:00	Session   Location: Diamond House, Room G59, Harwell Science and Innovation Campus, Fermi Ave Didcot OX11 0DE UK
18:30	<b>Dinner</b>
20:30	Break   Location: Diamond House, Atrium

## Tuesday 18 November

08:30

### Scientific Session - Addressing the Fragmentation of Communication between Synchrotrons, Developers and Industrial MX Users: Part-1 (Interoperability in Synchrotron Logistics)

Session | Location: Diamond House, Room G59, Harwell Science and Innovation Campus, Fermi Ave Didcot OX11 0DE UK

08:30-08:50 **Rationale and Purpose of Day 2**

Speaker

Gerard Bricogne

08:50-09:00 **A tale of six synchrotrons**

Speaker

May Sharpe

09:00-09:15 **A close-up view of synchrotron diversity from a user's viewpoint**

Speaker

Dennis Stegmann

09:15-09:40

**Synchrotron logistics with MXLIMS, starting with standardised experiment submission and result retrieval**

Speaker

Rasmus Fogh

09:40-10:00 **OAuth2 and authentication standardisation across facilities**

Speaker

Guilherme Francisco de Freitas

10:00

### Coffee break

Break | Location: Diamond House, Atrium

10:30

### Scientific Session - Addressing the Fragmentation of Communication between Synchrotrons, Developers and Industrial MX Users: Part-2 (Interoperability in Synchrotron Logistics)

Session | Location: Diamond House, Room G59, Harwell Science and Innovation Campus, Fermi Ave Didcot OX11 0DE UK

10:30-10:50 **Overcoming the Challenges of Scaling MX in the Cloud**

Speaker

Oleg Mikhailovskii

10:50-11:05 **Complexity of multi-synchrotron operations for a Pharma company**

Speaker

Patrik Johansson

11:05-11:20 **Complexity of multi-synchrotron operations for a small CRO**

Speaker

Christian Becke

11:40	11:20-11:40	<b>Standardising (auto-)processing and access to its results while avoiding Procrustean beds</b>
	Speaker	Clemens Vonrhein
11:40		<b>Open Discussion: Prospects for achieving interoperability between synchrotrons</b>
	Session   Location:	Diamond House, Room G59, Harwell Science and Innovation Campus, Fermi Ave Didcot OX11 0DE UK
12:00	11:40-12:00	<b>Prospects for achieving interoperability between synchrotrons</b>
12:00		<b>Lunch</b>
13:30	Break   Location:	Diamond House, Atrium
13:30		<b>Scientific Session - Addressing the Fragmentation of Communication between Synchrotrons, Developers and Industrial MX Users: Part-3 (Data Quality Assurance Measures)</b>
	Session   Location:	Diamond House, Room G59, Harwell Science and Innovation Campus, Fermi Ave Didcot OX11 0DE UK
	13:30-13:55	<b>The XDS crisis: a spontaneously-arising stress test of our coordinated response capabilities</b>
	Speaker	Gerard Bricogne
	13:55-14:20	<b>Lessons learned from the assessment of successive problematic XDS versions</b>
	Speaker	Clemens Vonrhein
	14:20-14:40	<b>Reproducibility checks in the Dectris Cloud</b>
	Speaker	Camilla Buhl Larsen
	14:40-15:00	<b>The Industrial Access Beamline Validation Proposal</b>
	Speaker	Gerard Bricogne
15:00		<b>Open Discussion</b>
	Session   Location:	Diamond House, Room G59, Harwell Science and Innovation Campus, Fermi Ave Didcot OX11 0DE UK
	15:00-15:30	<b>Discussion on QA, including ...</b>
15:30		<b>Coffee break &amp; Group Picture</b>
16:00	Break   Location:	Diamond House, Atrium
16:00		<b>Scientific Session - Addressing the Fragmentation of Communication between Synchrotrons, Developers and Industrial MX Users: Part-4 (Direct Metadata Capture at Synchrotrons for AI/ML-related depositions)</b>
	Session   Location:	Diamond House, Room G59, Harwell Science and Innovation Campus, Fermi Ave Didcot OX11 0DE UK
	16:00-16:25	<b>The DRI Project and forthcoming activities to support metadata-rich depositions</b>
	Speaker	Genevieve Evans

16:25-16:40 **Homebrewed Crystallographic Data Management in an Academic Setting**

**Speaker**

Marko Hyvönen

16:40-17:00 **Metadata quality assurance in (group) depositions**

**Speaker**

Clemens Vonrhein

17:00

**Open Discussion: The Art of the Possible - Pledges and Priorities.**

Session | Location: Diamond House, Room G59, Harwell Science and Innovation Campus, Fermi Ave Didcot OX11 0DE UK

17:00  
18:00

**Conference Dinner**

Session | Location: Diamond House, Atrium

18:00-19:00 **Drinks**

19:00-21:30 **Dinner**

21:30

## Wednesday 19 November

08:30

### MXCuBE: Status Reports - Part 1

Session | Location: Diamond House, Room G59, Harwell Science and Innovation Campus, Fermi Ave Didcot OX11 0DE UK

08:30-08:45 **Beamline remote access at the Australian Synchrotron**

**Speaker**

Andreas Moll

08:45-09:00 **Expression of interest in the MXCuBE Collaboration**

**Speaker**

Mi-Jeong Kwak

09:08-09:16 **NFPSS (Shanghai, China)**

**Speaker**

Kangwen Bao

09:16-09:24 **ALBA (Barcelona, Spain)**

**Speaker**

José Centeno Gabadinho

09:24-09:32 **HZB-BESSY (Berlin, Germany)**

**Speaker**

Michael Hellmig

09:32-09:40 **DESY (Hamburg, Germany)**

**Speaker**

Andrey Gruzinov

09:40-09:48 **ELETTRA (Trieste, Italy)**

**Speaker**

Alessandro Olivo

09:48-09:56 **EMBL (Hamburg, Germany)**

**Speaker**

Gleb Bourenkov

09:56-10:04 **MAX IV (Lund, Sweden)**

**Speaker**

Ezequiel Panepucci

10:04

### Coffee Break

Break | Location: Diamond House, Atrium

10:28

### MXCuBE: Status Reports - Part 2

Session | Location: Diamond House, Room G59, Harwell Science and Innovation Campus, Fermi Ave Didcot OX11 0DE UK

10:28-10:36 **MANACA @ LNLS (Campinas, Brazil)**

**Speaker**  
Pedro Benetton

10:36-10:44 **ESS (Lund, Sweden)**

**Speaker**  
Lais Pessine Do Carmo

10:44-10:52 **LS-CAT @ APS (Chicago, United States)**

**Speaker**  
Joe Brunzelle

10:52-11:00 **SOLARIS @ NSRC (Krakow, Poland)**

**Speaker**  
Michał Gucwa

11:00-11:08 **SOLEIL (Paris, France)**

**Speaker**  
Martin Savko

11:08-11:16 **ESRF (Grenoble, France)**

**Speaker**  
Marcus Oskarsson

11:16-11:24 **Global Phasing, UK**

**Speaker**  
Rasmus Fogh

11:24

## MXCuBE: Scientific Presentations

Session | Location: Diamond House, Room G59, Harwell Science and Innovation Campus, Fermi Ave Didcot OX11 0DE UK

11:24-11:39 **Report from the Automation Working Group**

**Speaker**  
Didier Nurizzo

11:39

## Open Discussion: MXCuBE Developments

Session | Location: Diamond House, Room G59, Harwell Science and Innovation Campus, Fermi Ave Didcot OX11 0DE UK

12:30

## Lunch

Break | Location: Diamond House, Atrium

13:45

## Parallel Sessions MXCuBE: Developers

Session | Location: Diamond House, Room G59, Harwell Science and Innovation Campus, Fermi Ave Didcot OX11 0DE UK

14:30

## Parallel Sessions MXCuBE: Steering Committee

Session | Location: I14, MR1-10

13:45

## Reports of StC+Dev Parallel Discussions: MXCuBE

Session | Location: Diamond House, Room G59, Harwell Science and Innovation Campus, Fermi Ave Didcot OX11 0DE UK

14:30

15:00

15:00

## **Coffee break & Early Leave**

Break | Location: Diamond House, Atrium

16:00
